

Strategic Prioritisation Plan

3 Steps To Successful Strategic Growth

Step 1: List out your top 12 to-do items or ideas under the "Activities/Ideas" section;

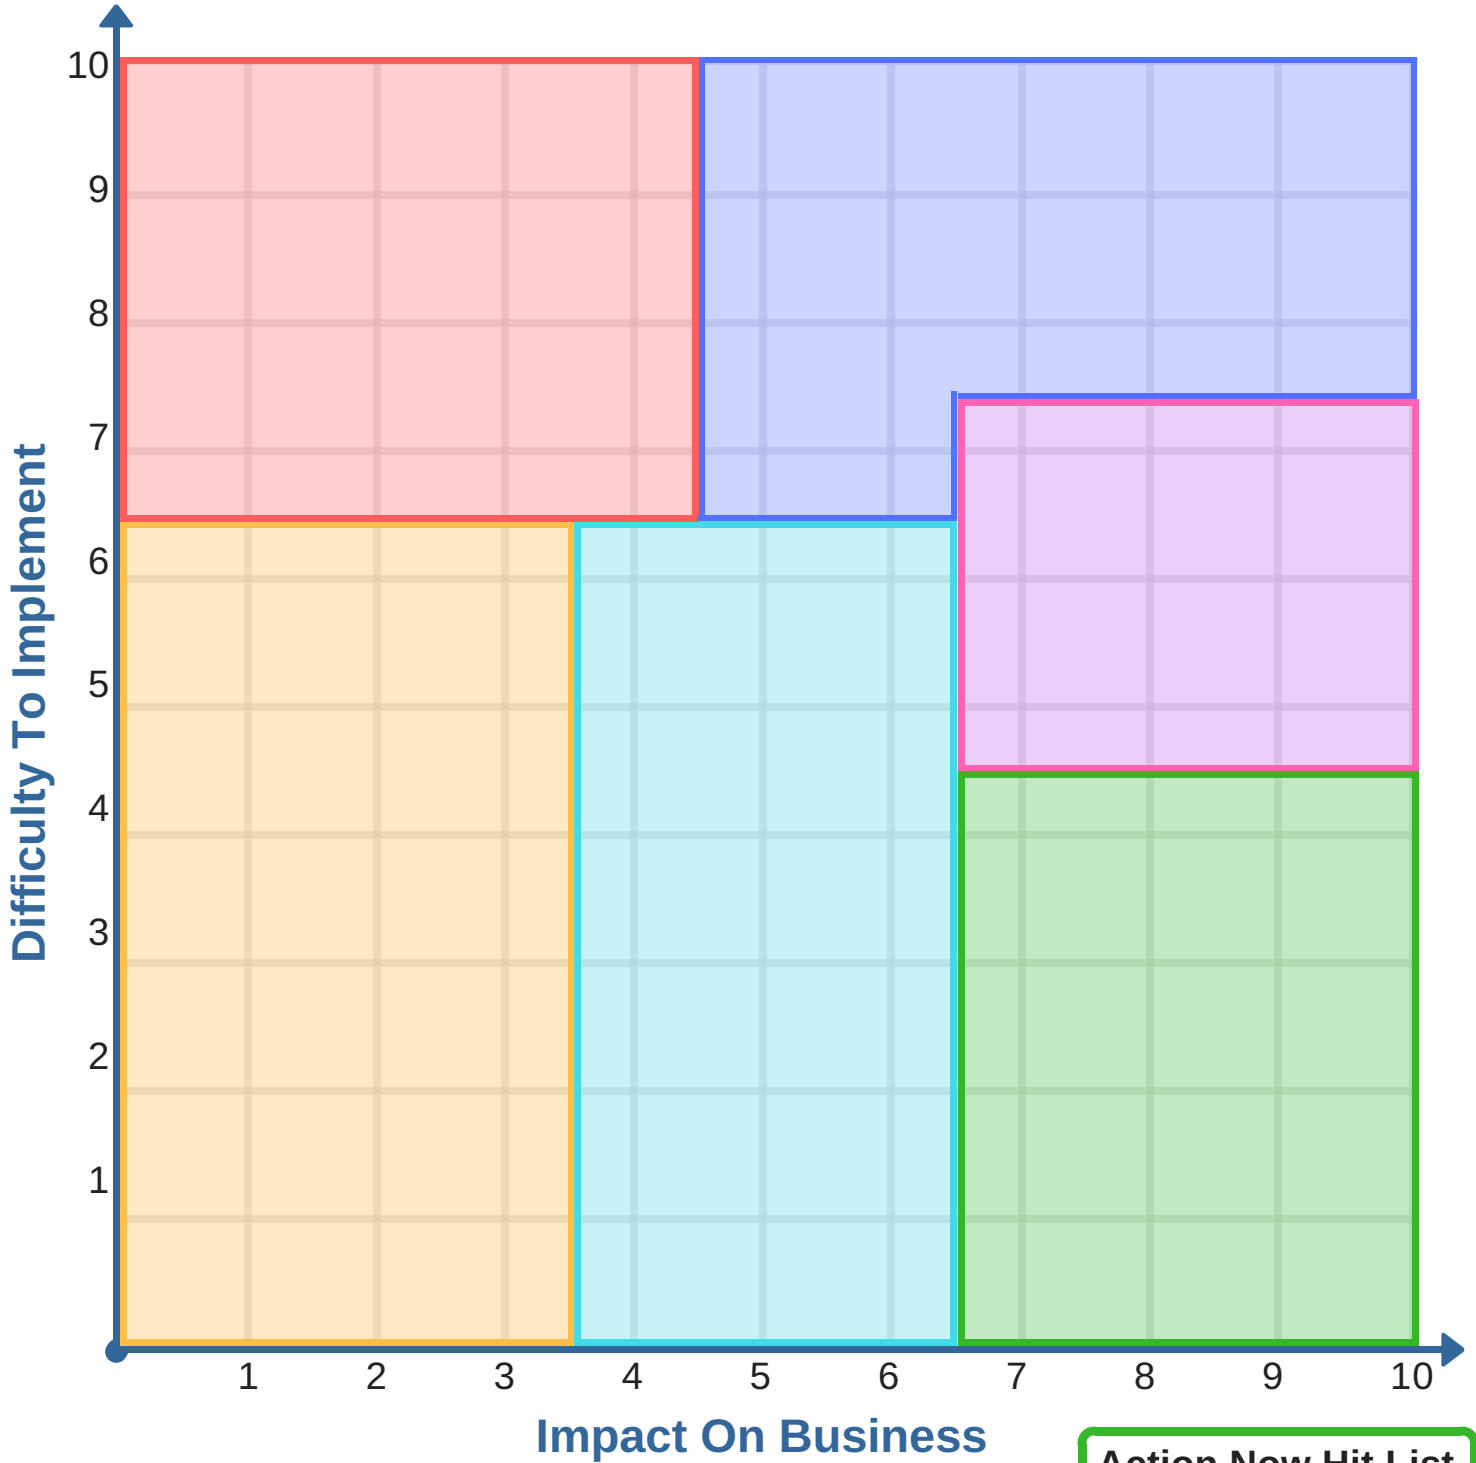

Step 2: Next to each item, rate it's Impact on the business from 1-10 (10 being MOST impactful right now), and the level of difficulty to implement from 1-10 (1=Very Simple, 10=Complex & Difficult)

Step 3: Plot each number on the 'Prioritisation Grid' (on the next page) with the Top 3 items in your Green Zone written out in the "Action Now Hit List"

	Activities/Ideas	Impact On Business	Difficulty To Implement
1	_____	_____	_____
2	_____	_____	_____
3	_____	_____	_____
4	_____	_____	_____
5	_____	_____	_____
6	_____	_____	_____
7	_____	_____	_____
8	_____	_____	_____
9	_____	_____	_____
10	_____	_____	_____
11	_____	_____	_____
12	_____	_____	_____

Strategic Prioritisation Grid

KEY:

- | | |
|--------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|
|  Action Now |  Leverage (Delegate) |
|  Cross-Department Collaboration needed |  Discard These Tasks |
|  Additional Training/Resources Needed |  Reassess These Items In 30 Days |
